Subject: Abandonment of existing parish maintained road – Inventory # 2-18

Message: J.W. Riles Road (Approx. 7,900 feet long) runs west off of Pleasant Hill Road to Holland Brock Road in Mount Hermon.

Currently the entire length (1.50 miles) of this road is on the parish inventory list for maintenance.

A survey of this Parish right of way has been recorded as follows:

Section to remain on the Parish Inventory (4,300')

3,250 feet is blacktopped starting at Pleasant Hill Road;
1,050 feet of the road surface is gravel to the Riles Property Line;

Portion to be Abandoned (3,600')

The gravel roadway remaining measures 3,600 feet long by 18' wide – this is the portion of J.W. Riles that the Riles Family is requesting to be abandoned by the Parish and returned to private property – Approximately 1.5 acres

The current owner(s) of this property hereby requests that this section of land / roadway be abandoned and removed from the Parish maintenance list.

It is my understanding that the owner(s) wish is to return this acreage to the farming business.

President Richard Thomas
