WASHINGTON PARISH COUNCIL

RESOLUTION No. 19-914

**RESOLUTION AUTHORIZING THE ADVERTISEMENT FOR BIDS
OF THE CONSTRUCTION OF NEW CELL NO. 7 AT THE
CHOCTAW ROAD LANDFILL**

WHEREAS, Eagle Environmental Services, Inc., the environmental consultant for the Choctaw Road Landfill, has recommended the necessity of constructing a new landfill cell for solid waste management at the Choctaw Road Landfill to be designated as Cell No. 7; and

WHEREAS, in the permit renewal for the Choctaw Road Landfill the Louisiana Department of Environmental Quality (LDEQ) approved the construction and conceptual design of this cell; and

WHEREAS, the anticipated operational plan in the permit renewal from the LDEQ included the construction of Cell No. 7; and

WHEREAS, Cells No. 1 through No. 5 have previously been closed and are no longer accepting solid waste; and

WHEREAS, solid waste placement operations at Cell No. 6 have reached the point at which vertical expansion from its base is necessary to reach the required permitted height and capture the maximum air space; and

WHEREAS, the recommended addition of Cell No. 7 for solid waste placement at this time allows for higher vertical expansion of Cell No. 6 as well as providing a greater base footprint for future waste placement, thereby creating a significant increase in available air space for landfill operations; and

WHEREAS, delaying construction of Cell No. 7 will potentially create major operational hazards for waste placement operations as well as safety hazards for personnel and equipment.

BE IT RESOLVED, that the Washington Parish Government advertise for bids for the construction of new Cell No. 7 at the Choctaw Road Landfill.

The above and foregoing having been submitted to a vote, the vote thereupon resulted as follows:

YEAS: (7) Talley, Fussell, Workman, Lewis, McMasters, Fornea and Anthony
